The Class of June 1961

Presents

The Lamp

WEST SIDE HIGH SCHOOL, NEWARK, NEW JERSEY

Dedicated to...

It is for two reasons that we respectfully dedicate this yearbook to Mr. Edgar K. Dawson.

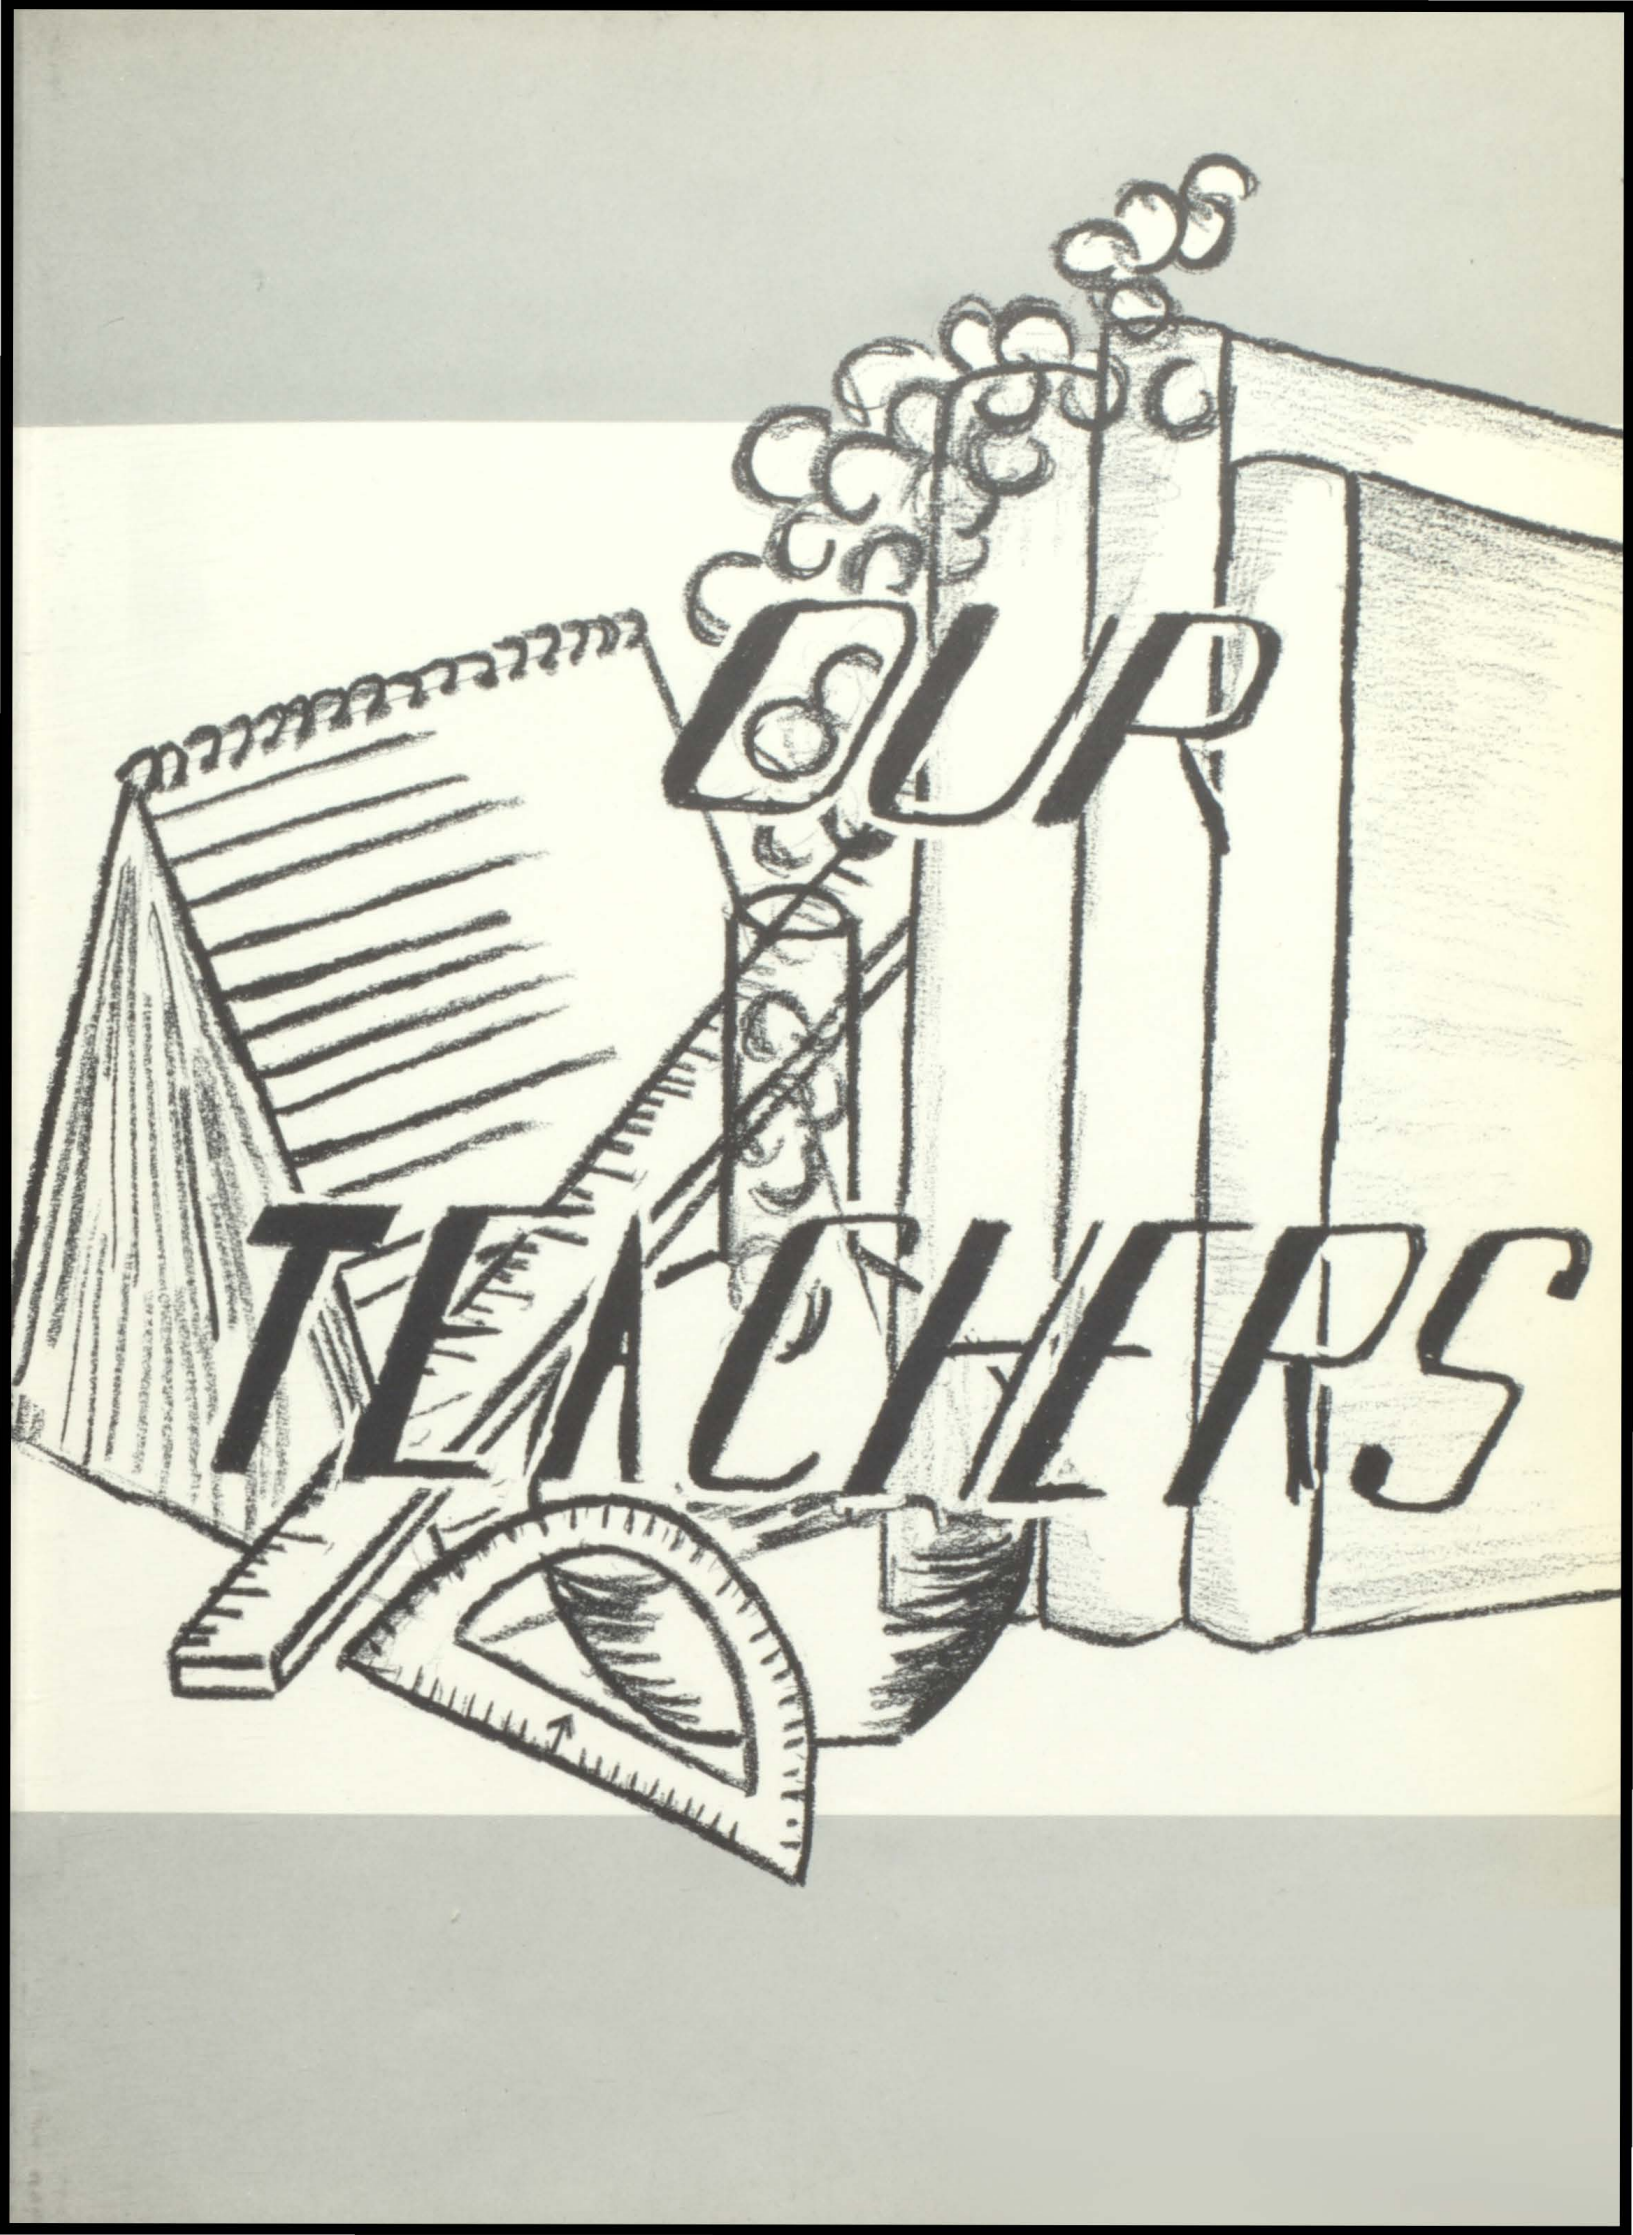

Primarily, it is a small token of our gratitude for the selfless way he has served us and so many classes before us, for 31 years at West Side.

Secondarily, Mr. Dawson will retire as we graduate this June of 1961, and we want publicly to wish him the long and pleasant retirement that he truly deserves.

Administration

A wise man said, "Any hill is too high for a poor climber." Now is the time when you choose what you plan to accomplish in life and decide how hard you will drive in achieving it. To a surprising degree you can choose your health, wealth and happiness.

To each of you go the best wishes of the faculty and myself for the future.

IRVING SCHWARTZBACH

We, the graduates of the class of June 1961, would like to take this opportunity to thank our class advisers, Mrs. Esther Norton and Mr. Irving Schwartzbach, for making our senior year here at West Side a successful one. The Senior Reception, the Senior Show, the Prom, and all the events which made this year a pleasurable one will never be forgotten by us.

Thank you Mrs. Norton and Mr. Schwartzbach for your patience, leadership, and advice which you so willingly lent us throughout the year. We also hope that this year has been filled for you with pleasant memories which you can look back on in later years.

Alma Mater

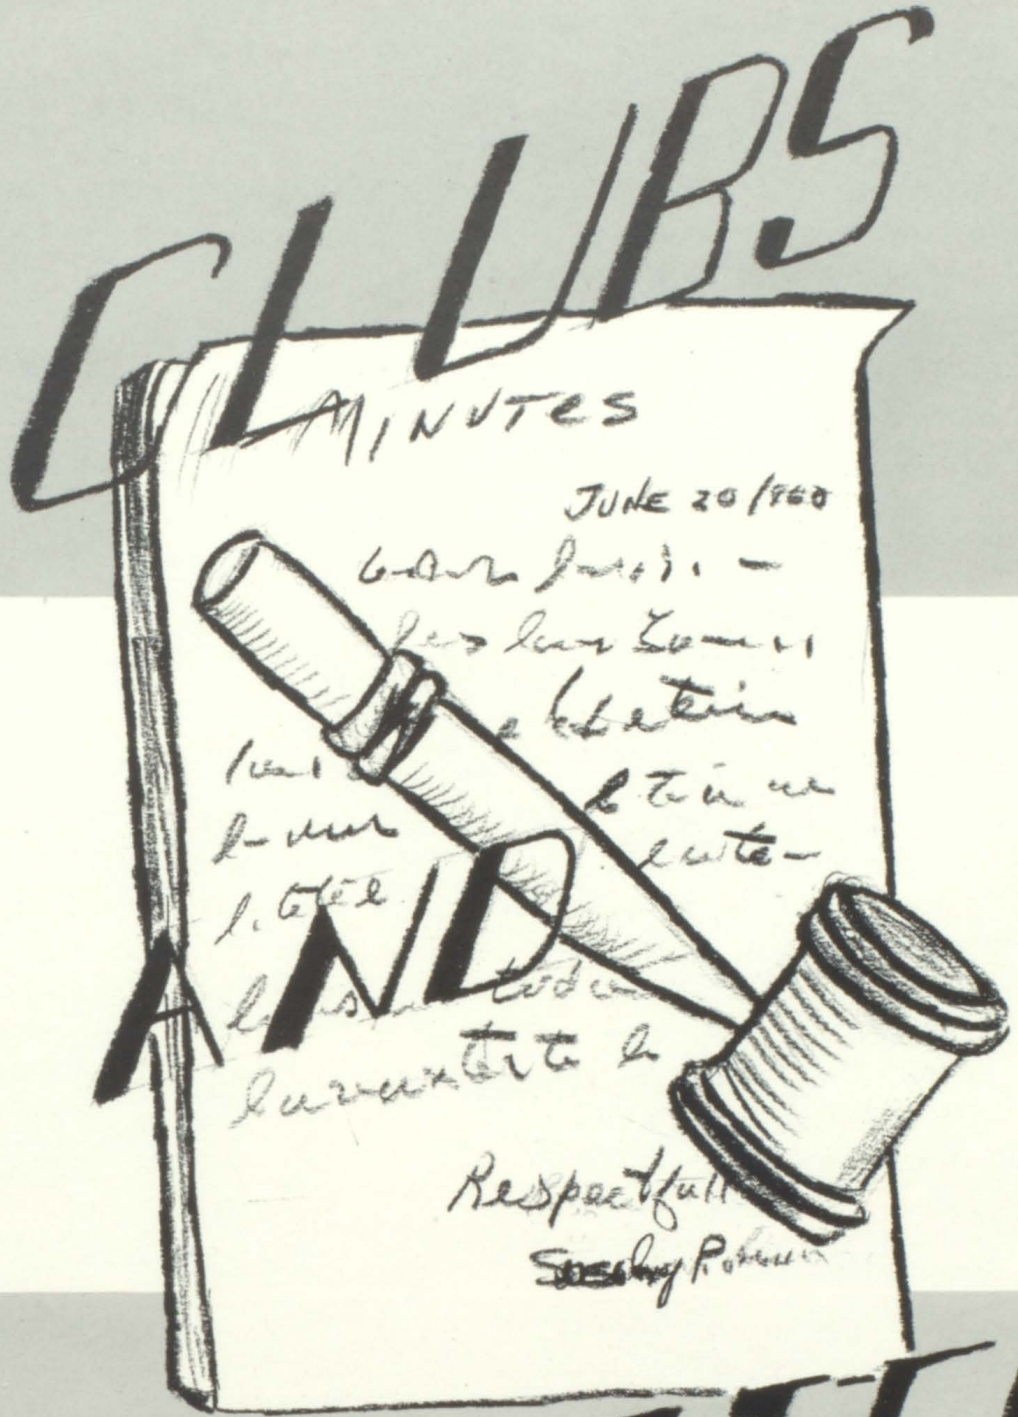

In morning light and evening fall,
Through all the days of coming years—
In times when glowing futures call—
In hearts with laughter and with tears
Our love for you will never die,
Oh, Alma Mater, West Side High.
Our love for you will never die,
Oh, Alma Mater, West Side High.

This love we have for you has grown
More bright than any treasured gold,
It deepens through each friend we've known.
Each truth that to our hearts is told
Within the shelter of your walls,
Within the rooms where wisdom calls.
Our love for you will never die,
Oh, Alma Mater, West Side High.

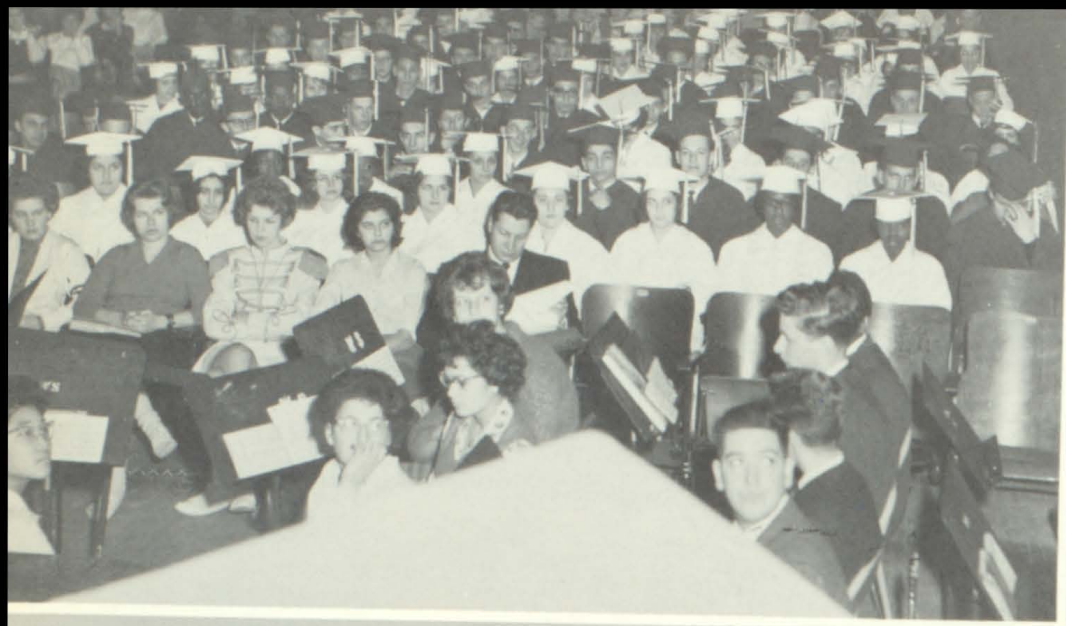

Though we have need to wander far,
Close in our hearts your name will be.
Your goodness, like a radiant star,
Will rise with every memory,
And having these sweet dreams of you,
We shall remember and be true.
Our love for you will never die,
Oh, Alma Mater, West Side High.

In morning light and evening fall,
Through all the days of coming years,
In times when glowing futures call,
In hearts with laughter and with tears,
Our love for you will never die,
Oh, Alma Mater, West Side High!
Our love for you will never die,
Oh, Alma Mater, West Side High.
